### **The TOP CONSULTANT competition**

The prestigious competition, which is held once a year, is based a survey of SMEs that have previously worked together with participating consulting companies. Using detailed questionnaires in the four main categories of competence, integrity, integrability and satisfaction, the reference customers provided feedback on the respective consulting companies. The survey is conducted on behalf of compamedia by Bonn-based Wissenschaftlichen Gesellschaft für Management und Beratung (WGMB) under the management of Prof. Dr. Dietmar Fink, Professor for Management Consulting at the University of Bonn-Rhein-Sieg, and Bianka Knoblach. According to WGMB, “a customer-oriented, SME-oriented consultancy service is decisive for winning the Top Consultant seal of quality”.

The official award ceremony for the Top Consultant and Top 100 prize winners in 2021 will be held on 26 November 2021 as part of the German SMEs Summit in Ludwigsburg.
