## **EN.VALUE operates in future as a professional practice firm and strengthens management for further growth**

- Tax consultant Aaron Gerwig to join as co-partner and co-managing director
- EN.VALUE expanding its service portfolio to include tax consulting in the future
- Personnel development and new corporate structure underscores finance expertise of specialized consulting firm
- EN.VALUE continues to chart growth course

Freiburg, June 22, 2023. Aaron Gerwig will be strengthening the management of the Freiburg-based consulting company EN.VALUE in the near future. In addition, Gerwig will also become a co-partner of EN.VALUE. The Master of Law and International Taxation (WU Vienna) and tax consultant has in-depth experience in national and international transaction business. Together with his father, tax consultant Adam Gerwig, he has successfully managed Gerwig & Kollegen Steuerberatungsgesellschaft mbH, based in Lörrach, near Freiburg, for many years.

**EN.VALUE will restructure itself as a professional practice company in the future and will expand the existing finance service portfolio to include tax consulting services. As a premium LucaNet partner, EN.VALUE will also expand its consulting services revolving around the market-leading CPM software. In future, the LucaNet software licensing business generated by these activities will be managed by a separate subsidiary.**

The appointment of Aaron Gerwig as co-managing director alongside EN.VALUE founding partner Ulrich Kenk underscores the finance expertise of the Freiburg-based company. In addition to providing SMEs with expert advice and consulting in all finance topics and processes, the company also acts as an outsourcing partner.

"With Aaron Gerwig coming on board, we have succeeded in gaining an accomplished tax & finance expert for EN.VALUE who commands extensive experience in the field of tax and financial transaction consulting (M&A). Drawing on this additional know-how we will be completing our service portfolio with the area of tax consulting and further strengthening our position as a "trusted advisor" to private equity companies", says Ulrich Kenk, managing partner of EN.VALUE. "I am very much looking forward to the cooperation and am convinced that together we will further accelerate the growth of EN.VALUE."

Over the past years, EN.VALUE has established itself as a reliable advisor to private equity companies. In this context, EN.VALUE supports medium-sized investment companies in the post-closing phase in order to structure and optimize the existing financial processes of the acquired groups of companies. As a LucaNet Premium Partner, EN.VALUE implements the market-leading CPM software in the projects, ensuring efficient corporate reporting for the respective addressees. With its field-tested consulting approaches and the management expertise of its partners, EN.VALUE acts as a sparring partner for the portfolio companies.

### **Dynamic growth as trusted advisor to private equity companies**

EN.VALUE advises CONSTELLATION CAPITAL AG, Switzerland, a leading investment company for individual succession solutions as well as corporate and growth financing. In this context, EN.VALUE is supporting the investment CONSTELLATION Clean GmbH, Munich, a specialist for (drinking) water and air quality, with appropriate finance know-how in

implementing its growth strategy. The finance experts optimize the entire processes along the CFO agenda and assist with their further development.

"EN.VALUE is active as a central service provider for us, whereby their experts support our portfolio companies with in-depth finance expertise," as Stefan Jochum, Investment Director of CONSTELLATION CAPITAL AG, stated. "For us, EN.VALUE is the 'trusted advisor' for the successful onboarding of our portfolio companies."

The cooperation with CONSTELLATION CAPITAL AG underlines the fact that EN.VALUE has increasingly established itself as a specialist service provider for private equity companies in recent years. EN.VALUE has been cooperating with the Munich-based investment company Afinum Management for some time, and is currently involved in several projects, including the new projects Koenen Technology and mymediset.

"As a one-stop-shop provider for private equity companies, EN.VALUE creates reliability, payment transparency and efficient finance structures, thereby creating the conditions for investee companies to realize their full economic potential," as EN.VALUE Managing Director Aaron Gerwig concluded.
