## **EN.VALUE now branching out into Switzerland**

- **EN.VALUE acquires stake in FinComp GmbH, expands consulting business in Switzerland**
- **Swiss company will be trading under the name of EN.VALUE Schweiz GmbH**
- **FinComp partner Roger Nötzli will strengthen EN.VALUE with his consulting and CFO expertise**

**Freiburg, September 22, 2023. Freiburg-based consulting company En.Value Management Spezialisten GmbH & Co. KG (EN.VALUE) is taking a stake in Switzerland's FinComp GmbH and expanding its consulting business in the Swiss market. Roger Nötzli, formerly a FinComp partner, will join EN.VALUE founding partner Ulrich Kenk as partners in the Swiss business, which in future will trade as EN.VALUE Schweiz GmbH. The object of the merger is to amalgamate the consulting and CFO competencies of both partners and strengthen EN.VALUE's position as trusted advisor to private equity companies and corporate entities. In addition with this participating interest, EN.VALUE is expanding its LucaNet licensing business and strengthening its future premium partnership with the software company.**

"We are delighted with the merger. We have already been working very closely on projects with Roger in a spirit of trust for some years now. In particular Roger's consulting and CFO expertise are key to our cooperation both to date and in the future," said Ulrich Kenk, managing partner at EN.VALUE. "Together we will continue to expand our status as trusted advisor to private equity and group entities in Germany and Switzerland."

Roger Nötzli founded FinComp GmbH in 2011 and focused the company on consulting in the areas of finance, controlling and accounting. He draws on an extensive network in the Swiss market and is recognized as a skilled consultant in the fields of consolidation, finance and private equity transactions.

"EN.VALUE's approach to consulting, coupled with our previous cooperation and our close regional and cultural ties were for me the deciding factor in joining with EN.VALUE in future," added Roger Nötzli, soon to be managing director and joint partner in EN.VALUE Schweiz GmbH "I am looking forward hugely to working with the entire EN.VALUE team."

### **Focus on private equity consulting**

In the past years EN.VALUE has established itself as a an acknowledged and reliable adviser to private equity companies. EN.VALUE supports small- to medium-sized enterprises in the post-closing phase, in order to structure and optimize the financial processes in place at the acquired groups of companies. In acquiring this stake, EN.VALUE is keen to strengthen its established position and continue to expand its consulting business in Germany and Switzerland.

### **Participating interest strengthens premium partnership with LucaNet**

EN.VALUE has been partnered with LucaNet since 2016, and has ranked as a premium partner since 2021. In recent years the market-leading software has been introduced with great success in numerous customer projects. FinComp has likewise been active as a LucaNet partner since 2012 and serves such prominent customers as e.g. Swiss fitness group Let's Go Fitness and the stock market-listed SFS Group. With this participating interest in the Swiss company and the amalgamation of the LucaNet licensing business, EN.VALUE is strengthening its premium partnership with the software company.

### **About EN.VALUE**

EN.VALUE is an independent, specialized consulting company and professional outsourcing partner for all finance topics and processes. The firm's clients include regional and national companies as well as international corporations. The service portfolio comprises financial and payroll accounting, support in the preparation of annual financial statements, the preparation of monthly reports or financial reports according to international accounting standards and in various languages. EN.VALUE optimizes business processes along the value chain, advises on all topics on the CFO agenda and, as a finance specialist, accompanies corporate transactions and restructuring activities. As a LucaNet.Premium Partner EN.VALUE – by way of a subsidiary – is also offering a comprehensive service portfolio consisting of consulting, software and implementation for the areas of consolidation, planning and reporting.
